Nancy,

Attached is a word file that includes a timeline for a SNUR that receives negative comment and goes on the NPRM/Final Rule path. We should have the diagram updated to include this information on Monday.

Nancy,

This PDF includes both diagrams, with the comparison of SNUR and consent order on the second page. I have also pasted that diagram in the body of this message. CCD is also working on including a timeline for a SNUR with adverse comment per your request in the meeting.

We saw a different diagram yesterday that had the list as a figure comparing timelines between snur and consent order.  
If you could scan a hard copy from ccd that may be fastest. Thanks.

Hans,  
I'm working on my iPhone so I can't see everything correctly. Is the word document a list or a figure? I saw a figure yesterday but on my phone this is a list.  
Thank you!
